FOREWORD BY PARAVOLLEY EUROPE PRESIDENT MR. BRANKO MIHORKO

Dear Sitting Volleyball friends,

We did it!

We have managed to get to this point where the long-awaited European Championship competition is ready to start.

After the last edition in 2019, for obvious reasons, we had to cancel an unprecedented number of events. We did try in the last two years to organise competitions but every time we suffered setbacks and had to start from scratch. Eventually, in June this year, we were able to re-start events.

No fewer than five competitions were organised in less than five months in four different countries with 14 men's and 8 women's national teams taking part. Not only was each competition tailored and adapted to the teams, but we were able to launch the long-awaited Nations League Competition (Gold/Silver/Bronze). Let's not forget the joint Beach ParaVolley and beach sitting volleyball competition which was also a success.

To end the busy summer season and a somewhat odd year for sitting volleyball, it is now time for the pinnacle of our competitions, the European Sitting Volleyball Championship Men & Women which will see a record number of 27 teams compete to be crowned European champions.

It goes without saying that organising such a big event in the current pandemic has caused us and the organiser in Turkey many headaches, but we have reviewed all the possible scenario to allow this competition to go ahead in the best possible conditions for all. This will be a great event thanks to the thorough planning and preparation from the Turkish Federation for Sports for Disabled (TBESF).

I would like to wish all the teams, ITO's and guests a safe trip to Kemer. We will all have to follow the measures put in place to ensure our health and safety during our stay in Turkey and we believe this will be an event to remember. I look forward to welcoming you there and talking about the sport and development of ParaVolley. In addition to the main competition, there are many topics we would like to discuss with you all about the future of the sport.

I look forward to seeing you all in Kemer!

Branko MIHORKO
PVE President

FOREWORD BY TURKISH SPORT FEDERATION FOR PHYSCALLY DISABLED PRESIDENT ARIF UMIT UZTURK

Dear Guests,

Welcome to our beautiful country. We are very pleased to welcome you to Antalya, a holiday paradise.

Welcome once again to the European Championships, which will be held for the first time due to the pandemic, and it is our greatest wish that you leave with good memories while wishing success to all the teams who will participate in this important event that comes immediately after the Paralympics.

Our Federation operates in 19 sports and currently has 19 teams competing in our leagues. One of them is sitting volleyball. In this branch, as well as Wheelchair Basketball and Amputee Football, we wish to bring more disabled individuals to the sport in our country and to represent our country at the highest level in the world. We believe that hosting this important event and being together will make a great contribution to achieving these goals. We would also like to thank Para Volley Europe for choosing us to host the event

Please note that we are in the process of pandemic during our organization, it is very important that all our guests and local participants to show the necessary sensitivity in this regard. I would like to thank our President Recep Tayyip Erdogan and Our Minister of Youth and Sports, Mr. Mehmet Muharrem Kasapoglu, who have always been with disabled athletes for their financial and moral support in our activities and in this organisation, and to Mr. Tolga Korkusuz, Mr. Omer Ünal, Mr. Onur Hoşnut, who are part of the Organising Committee in the realisation of this organisation, and to all our friends who have served as volunteers.

ARIF UMIT UZTURK

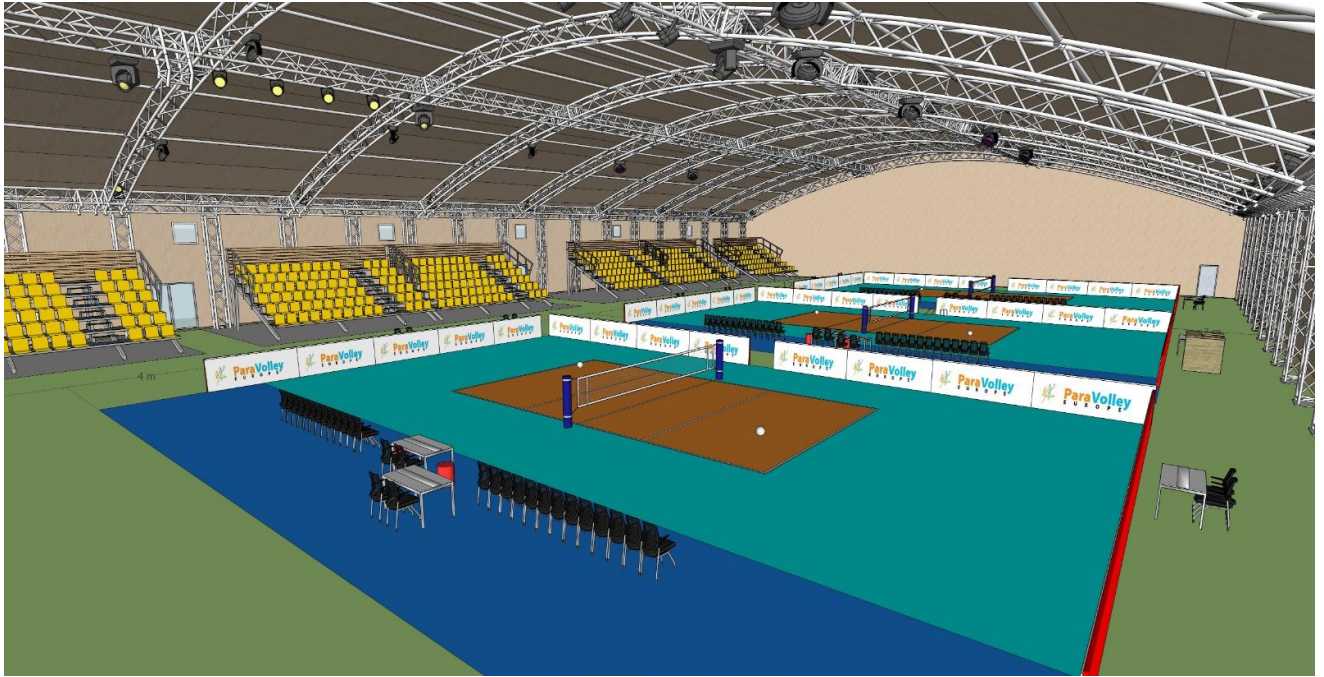

President
